Saturdays Games (12/15/18) will be scheduled at 11:00, 1:00 and 3:00 in an effort to help traveling teams get home in a timely manner. Belen will play in the 3:00 game, although it may not necessarily be the championship game.

For the championship game: We will go with the two best records from the previous two days. In the event we have a tie we will use the following criteria to determine placement for the championship game:

1. Head to Head matchup. Teams tied that won the head to head matchup will get the higher placement.
2. If a tie exists, placement will be determined by a point differential of the teams tied based on games played, with a maximum of +10 or -10 allowed for any game.
3. Once we have the Championship game determined, we will schedule remaining four teams against opponents they have not played during the tournament.
