Re: Cleveland Storm Relays, Friday, April 7, 2017

We want to take this opportunity to thank you all for attending our meet and welcome you to the 8th annual Storm Relays. The Storm Relays will be run as a true relay meet, with nearly every event being organized as a relay. In typical relay meets, athletes competing in the running events are not afforded the opportunity to qualify to the state championships. The Storm Relays is designed to allow many of the athletes competing on the track to qualify to the state championships as an individual while participating in a relay. All field event athletes will be able to qualify to the state championships.

We will be taking entries through Directathletics.com. Entries will be due Wednesday April 5, 2017 at 11:59 pm.

The scratch meeting will be held Friday at 2:30 pm on the bottom floor of the Field house adjacent to the track.

Teams attending:

Cleveland, Albuquerque Academy, Albuquerque High, Cibola, Highland, Los Alamos, Sandia, Sandia Prep, Taos, Valley, West Mesa.

General Information

Inform your parents and supporters that we will be charging an entrance fee of students \$2.00 and adults \$3.00. This money will go to purchasing the individual and team awards. This is in lieu of a school/team fee. **PLEASE LET YOUR PARENTS/SUPPORTERS KNOW this ahead of time we do not want our volunteers harassed the day of the meet.**

Team camps will be in the aluminum bleacher area. No athletes are allowed in the chairback section. Please adhere to this. We will make announcements to make sure teams know this.

Only officials and contestants will be allowed on the track infield. There are plenty of gates located in the track area, please do not have your athletes jump any fences.

Team Scoring will be 10-8-6-4-2-1 for all events.

You can enter less than three/four participants for qualifying purposes but no team points will be awarded.
