*A Thrower Relay (4x100) will be included in our format for the Wildcat Relays. This is for the kids on your team that are strictly throwers, not for one of your kids who regularly runs and happens to throw as well. This relay will be run prior to the 4x400 meter relay. There will be no more than two heats per division (and maybe one depending on interest). ***This relay will not count towards the team score and no medals will be given for this race.*** The championship team from each division will be announced and honored at midfield at the conclusion of the race. This event will be available for entry in direct athletics, but you will need to email me if you are interested in competing. There are 14 available slots if you are interested. The first 14 teams to register for this event will be included until the cutoff is met.
