## Bulldog Bowl

### ORGANIZATIONAL DATES

April 26: Entries due on Direct Athletics by 8:00 am

April 26: Coaches meeting @ 2:00 pm in the Press Box of Bulldog Bowl

#### **ENTRY PROCEDURE:**

Entries will be done via Direct Athletics. Each school is allowed three entries per individual event, and one entry per team per relay. We need to be at 3 and 1 to get done at a reasonable time due to the number of schools present.

#### **FIELD EVENTS:**

ALL SCRATCHES FOR FIELD EVENTS WILL BE DONE AT THE EVENT VENUE. The throwing events will be conducted at Morris Field, one block east of Bulldog Bowl (Behind Bulldog Pit). If you have throwers that are in events located at the bowl, please be in communication with the bowl events as this will be your responsibility to coordinate them being at both locations to compete to ensure we can keep the meet running quickly. The jumping events will be conducted south of the home seating in Bulldog Bowl with exception to the high jump which is on the north side of the bowl endzone.

#### **CONCESSIONS:**

We are still trying to find a group to run concession but are actively trying to find a group to put this on. Please have patience with us on this one.

#### **MEALS:**

A catered meal will be provided for the visiting coaches in the South Suite of the Press Box from 5:00 – 7:00. This meal will be limited to visiting coaches and our workers.

#### **COACHES MEETING:**

There will be a coach's meeting in the South Suite of the Press Box at 2:00 PM. Meet information will be discussed and scratches will be made at this time for running events. No adds will be allowed. Please don't try to scratch an athlete and provide a new athlete in their place as this will be considered an add. We will work with you if you have a circumstance that needs to be taken care of but communicate it well in advance. We leave entries open until 8 am of the day of the meet to help you make changes needed for adds.

#### **TEAM CAMPS:**

Team camps are to be made in the stands only (No team camps in the furthest south section please as we need line of sight to the finish line for our computer timer who needs to see to capture the runners as they approach the finish line). Please keep your athletes off the slopes and from the roped off sections such as the camera area.

#### *WARM-UPS AND CHECK-IN:*

Warm ups are done in the bowl. Athletes will check in at the table on the south side of the field and get their hip number. Please make sure they place it on the appropriate leg depending on which way we are running the race. Also, please make sure their jersey doesn't cover the number making it hard to pick them in the race.
