Unfortunately, we had to change the whole girls bracket, because we lost a team. We tried to find a 1 team replacement, but at this late date that turned out to be impossible. So, we are playing with 3 different substitutions - a mixed schedule as shown above.

We will still have the individual awards for All Tourney. Our boys bracket will remain the same. We still have our hospitality room for all coaches. The admission for fans will be \$5 adults and \$ seniors/students.
